RCA VICTOR

First in Quality you can See and Hear!

SHARPER, MORE DETAILED PICTURES FROM "NEW VISTA" TUNER

... especially from the normally hard-to-receive stations! This always dependable, revolutionary nuvistor tube is the most powerful ever designed and is found in all RCA Victor models — portables to color consoles!

NEW COLOR FIDELITY FROM BONDED SULFIDE PICTURE TUBE

... pioneered and engineered by RCA and recognized as the standard for all makers of color television! Provides up to 50% brighter color pictures, sharper black and white pictures too!

NAME YOUR FURNITURE STYLE, RCA VICTOR HAS MORE THAN EVER BEFORE!

... Early American, Danish Modern, Contemporary, French Provincial, Modern and Oriental cabinets! Maple, Scandinavian Walnut, Mahogany, Cherry, Birch or Oak woods and veneers!

in
BLACK & WHITE
and
"LIVING COLOR"

NEWEST SECURITY SEALED PRECISION-CRAFTED CIRCUITS

... not an old fashioned hand-wired chassis to come loose or short-circuit, but Precision-Crafted Circuit Boards for assured performance and accuracy! Same type used by U. S. Government for satellites and missiles!

RICHER BALANCED FIDELITY "GOLDEN THROAT" SOUND

... featured in every RCA Victor TVI Deluxe sets have an extended range Duo-Cone speaker that's just like having two! All cabinets are scientifically matched with amplifier and speakers for right acoustical balance!

AMAZING 7-FUNCTION "WIRELESS WIZARD" REMOTE CONTROL

... turns picture and sound on or off from across the room! Changes channels, tunes "tint" and "color", adjusts sound through a continuous range and even turns all power completely off! Similar remote available on black and white sets.

PERFORMANCE PROVED IN AMERICAN HOMES FROM COAST to COAST!
